Nestled between big snowy mountains and the sunny golden desert sits a lively little town called Twin Falls, where two sparkly blue waterfalls flow down into a beautiful lake right in the heart of the town.

Twin Falls is home to Hector Hammer and his crew of tools — a mischievous but loveable bunch who love getting to work, building and fixing things, but always causing a bit of chaos along the way! But no matter what goes wrong, the Tools always come together to fix it. That's what they do best — teamwork, laughter, and putting things right, one job at a time.

Ready to meet the whole crew...?

# HECTOR HAMMER

**Character:** The leader of the crew! Hector likes to keep everyone working hard and having fun.

**Job:** Hector loves woodwork, but as the leader, he helps out with everything!

**Favourite things to do:** Flying his construction plane over Twin Falls.

**Fun Fact:** Hector loves to ski, but even when skiing down a mountain, Hector can't help but notice things that need fixing.

# Paz THE Paintbrush

**Character:** Full of energy when it comes to fun, but not so much when it comes to work! Paz means well, even if he leaves everything in chaos.

**Job:** Paz is meant to be a painter, but he'd rather play!

**Favourite things to do:**  
Snowboarding, surfing, and finding new ways to cause chaos.

**Fun fact:** Paz has never once finished a job on time. Not once.

# DIESEL DRILL

**Character:** Diesel is chaotic and gets most things wrong, but he's always cheerful about it!

**Job:** Diesel fixes cars and trucks in his garage. Or at least, he tries to.

**Favourite things to do:** Building monster trucks – as long as nothing catches fire!

**Fun fact:** Diesel has broken more things than he's fixed. He's still very proud of himself.

START

# ROXIE

## THE PAINTBRUSH

**Character:** Roxie loves going fast – snowboarding, skiing, racing, you name it. And she's good at everything she does!

**Job:** Roxie is a pro designer – the best painter and decorator in Twin Falls.

**Favourite things to do:** Taking photos with her camera and also winning every snowboard race against Paz – apart from the time he was chased by a moose!

**Fun fact:** Roxie once beat Hector's truck down the mountain – on a snowboard!

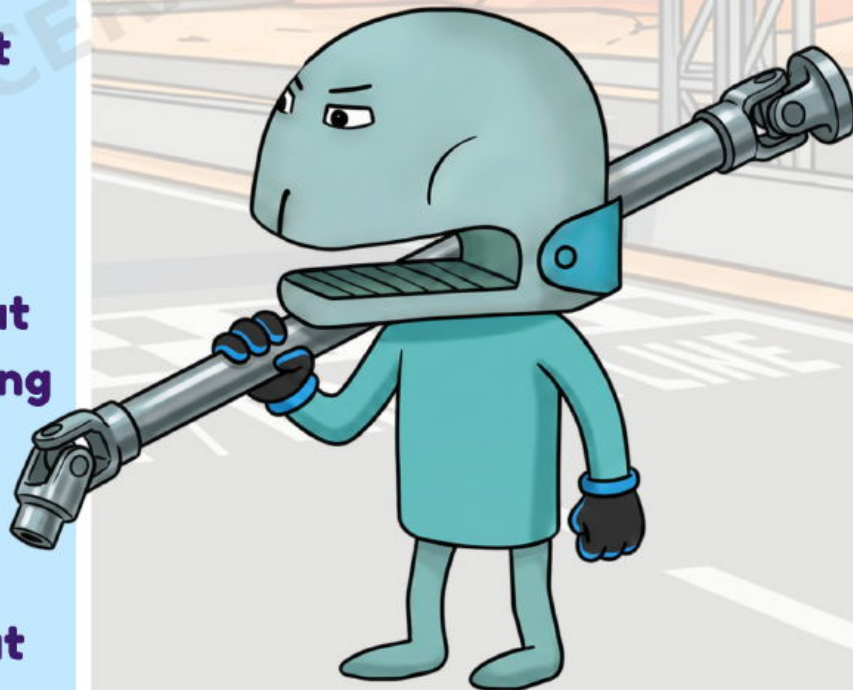

# WAYNE WRENCH

**Character:** Wayne is the toughest tool in Twin Falls – though his patience runs out fast whenever Paz is around!

**Job:** Wayne is supposed to be a plumber, working on pipes – but he'd much rather be fixing up cars and trucks.

**Favourite things to do:** Racing at the Desert Speedway and helping out in Diesel's garage.

**Fun fact:** Wayne has more strength in his jaws than a great white shark!

# SAM THE SPANNER

**Character:** Nervous, careful, and always the first to spot when something's about to go wrong. Nobody ever listens to him.

**Job:** Sam works alongside Diesel Drill in the garage, fixing up trucks and cars.

**Favourite things to do:** Anything fun and safe, and seeing everyone happy along the way.

**Fun fact:** If more tools listened to Sam, Twin Falls would be a much safer place.

# BILLY BUCKET

**Character:** Cheerful and helpful, Billy is always ready to carry whatever's needed, wherever it's needed.

**Job:** Billy helps out across Twin Falls, carrying water, paint, fish – pretty much anything at all.

**Favourite things to do:** Helping others, and building sand castles.

**Fun fact:** Billy once carried tadpoles around for so long, they turned into baby frogs!

**Character:** A strong power tool from Australia who drives a very big logging truck. Charlie's easygoing charm makes him one of the most popular tools in Twin Falls.

**Job:** Charlie runs the Timber Yard, supplying wood and logs for every building job in town.

**Favourite things to do:** Lifting logs with Sheldon and JJ to see who's the strongest.

**Fun fact:** Rumour has it Charlie has pet crocodiles back home. Nobody's ever actually seen them.

# CHARLIE THE CHAINSAW

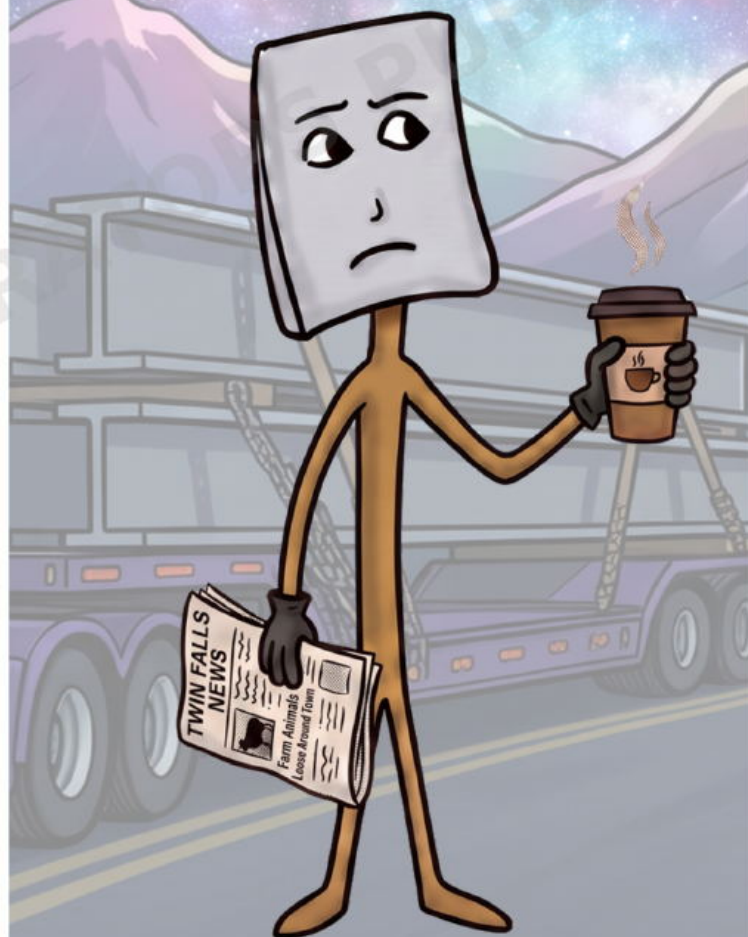

**Character:** Fairly serious with no time for nonsense, Shamus gets the job done – but he'd much rather be behind the wheel than digging.

**Job:** Shamus delivers materials all over Twin Falls, driving his purple truck loaded up with whatever needs moving.

**Favourite things to do:** Driving. Although if he's not on the road, you'll find him at Lorenzo's bistro, reading his paper and drinking coffee.

**Fun fact:** Shamus is a shovel – but he never actually digs. He uses an excavator instead, because he's simply too lazy.

# SHAMUS THE SHOVEL

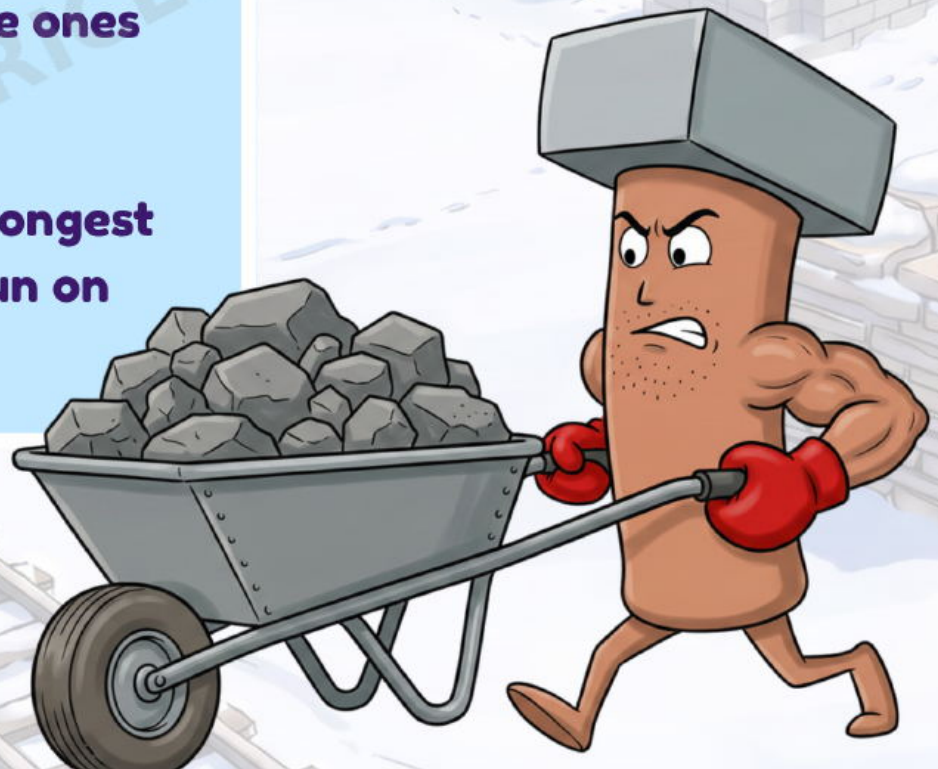

**Character:** Sheldon is strong as an ox and thinks he's the most powerful tool in Twin Falls – except for JJ the Jackhammer, perhaps.

**Job:** Sheldon runs the Stoneyard, supplying bricks, sand, and cement for building jobs all over Twin Falls.

**Favourite things to do:** Smashing down brick walls – even the ones he's built himself.

**Fun fact:** Sheldon is the strongest tool in town that doesn't run on power. Just pure strength.

# SHELDON THE SLEDGEHAMMER

# BOBBY BUCKET

**Character:** Cheeky, mischievous, and much happier playing than working.

**Job:** Bobby helps out carrying water, sand, and anything else that needs moving. Just don't team him up with Paz – the two of them together cause far too much chaos.

**Favourite things to do:** Splashing water at other tools when nobody's looking.

**Fun fact:** Every winter, Bobby forgets to empty his water out in time – and freezes solid like a big ice cube!

# PATRICK THE Pickaxe

**Character:** Patrick is loveable, cheerful, and always running just a little bit late.

**Job:** Patrick drives the quarry train, carrying stone and bricks through Twin Falls all the way to the docks – stopping for sandwich breaks along the way!

**Favourite things to do:** Eating sandwiches. Lots and lots of sandwiches.

**Fun fact:** Patrick has never once arrived on time. Not once. But somehow, it always works out.

# RICKY RAKE

**Character:** Chilled out on the farm – but the moment there's a race on, Ricky's buzzing with energy.

**Job:** Ricky is meant to help out on Twin Falls Farm, though he's not exactly the hardest worker. He's usually found sitting on a hay bale, listening to music.

**Favourite things to do:** Racing his farm truck – the faster, the better.

**Fun fact:** Ricky always goes on holiday in the autumn – purely so he doesn't have to rake the leaves.

# MONTY THE MOOSE

**Character:** Big, friendly, and always wants to play. The friendliest moose in all of Twin Falls.

**Job:** Monty doesn't really have a job – he just wanders wherever he pleases, usually causing a bit of chaos along the way.

**Favourite things to do:** Eating grass and chasing Paz around Twin Falls.

**Fun fact:** One time whilst chasing Paz, Monty smashed straight through Lorenzo's bistro!

# LORENZO

## THE WATERING CAN

**Character:** Warm and welcoming – until anyone gets too close to his flowers! Lorenzo's mood can change in an instant.

**Job:** Lorenzo runs the bistro in Twin Falls, serving up the best coffee, milkshakes, and food in town.

**Favourite things to do:**  
Tending to his beloved flowers – just don't touch them!

**Fun fact:** Lorenzo has never once let anyone else water his flowers. They wouldn't dare.

# FLOYD THE FIREHOSE

**Character:** Serious, safety conscious, and always ready for an emergency. Floyd takes his job more seriously than anyone in Twin Falls.

**Job:** Floyd is Twin Falls' fire chief – covering the whole town and the massive surrounding area, all on his own.

**Favourite things to do:** Putting out fires and washing trucks.

**Fun fact:** Floyd has never been so busy since he started working in Twin Falls. He's made it his mission to stop the chaos caused by the Tools – one safety report at a time.

# BETTIE BUCKET

**Character:** Neat, organised, and fussy about mess. Bettie will only carry water and paint – nothing dirty like sand, mud, or tar.

**Job:** Bettie helps out with the painting jobs around Twin Falls. She far prefers working alongside Roxie.

**Favourite things to do:** Shopping for paint, mixing her favourite colours, and having a warm bath.

**Fun fact:** Paz once landed straight in a muddy pig sty. Bettie took one look and refused to clean him up – far too dirty for her liking!

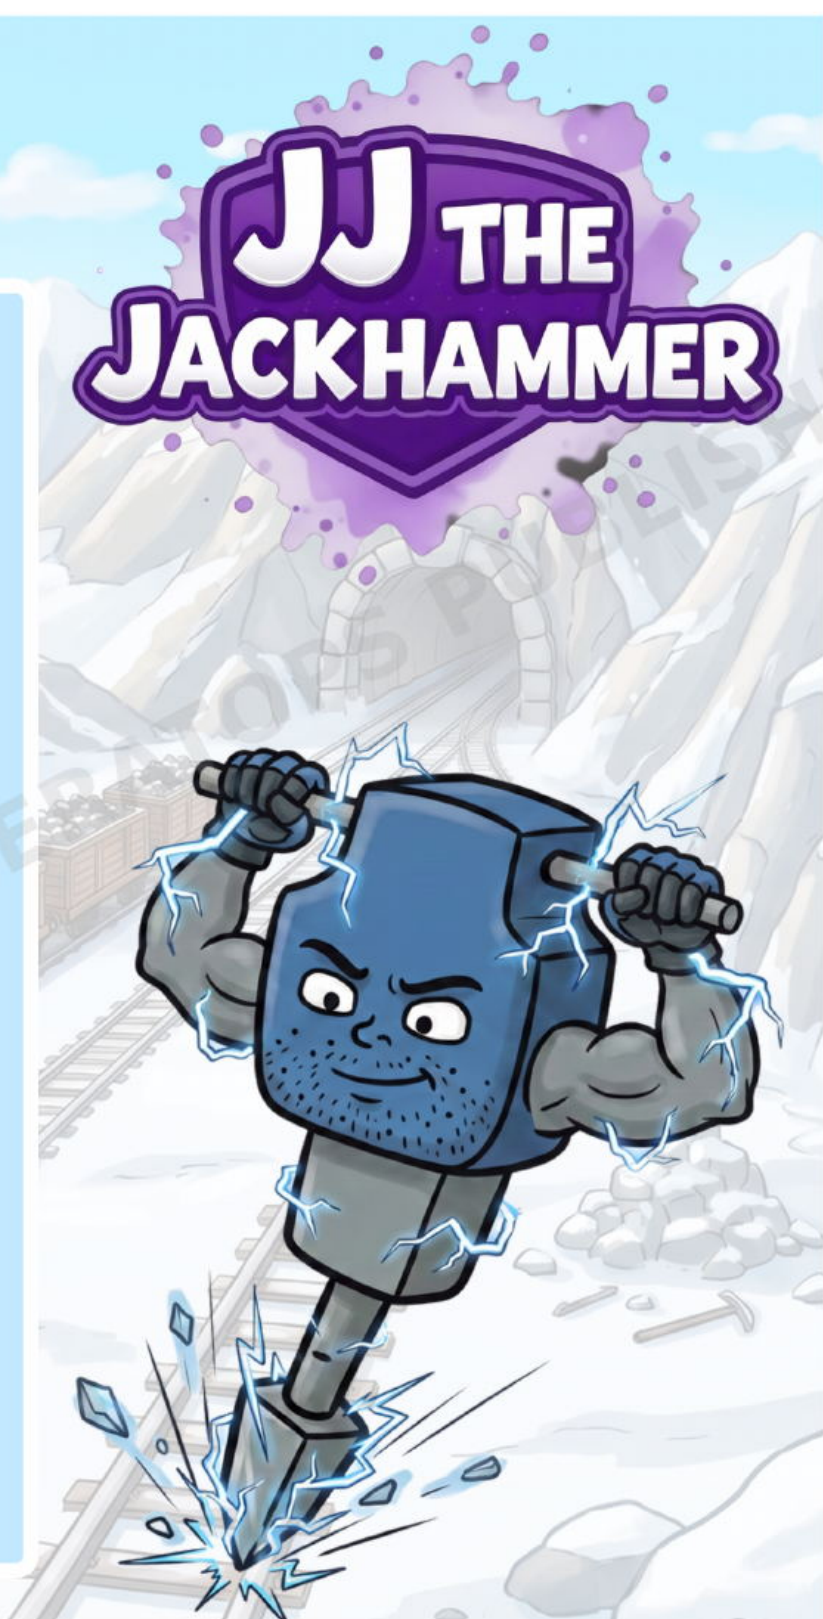

# JJ THE JACKHAMMER

**Character:** JJ is an unstoppable powerhouse – an explosive force with electric energy.

**Job:** Works at the quarry, smashing through solid rock and making it look easy.

**Favourite things to do:** Lifting heavy rocks and logs with Sheldon and Charlie.

**Fun fact:** JJ is convinced he's the most powerful tool in Twin Falls – although Sheldon the Sledgehammer will never admit it.

# FRANKIE THE FLATHEAD

**Character:** Mischievous and always causing chaos – unlike Paz, Frankie does it completely on purpose.

**Job:** Frankie doesn't really have one. He mostly just unscrews things that were supposed to stay screwed.

**Favourite things to do:** Spinning at high speed and undoing whatever he can find.

**Fun fact:** Frankie has been banned from three different building sites. He's very proud of that.

# PETE THE PITCHFORK

**Character:** Calm and easygoing – probably the most relaxed farmer you'll ever meet.

**Job:** Pete runs Twin Falls Farm, looking after the animals and keeping everything running smoothly.

**Favourite things to do:** Riding his horse Harold, and driving his tractor.

**Fun fact:** Every now and then, Monty the Moose decides Pete's farm is home. Pete's always happy to have him.

# Harold THE Horse

**Character:** Just like Pete, Harold is very relaxed and not bothered by much.

**Job:** Harold is a strong shire horse, always happy to help with pulling carts and heavy loads around the farm.

**Favourite things to do:** Riding fast across the farm while Pete rounds up the sheep.

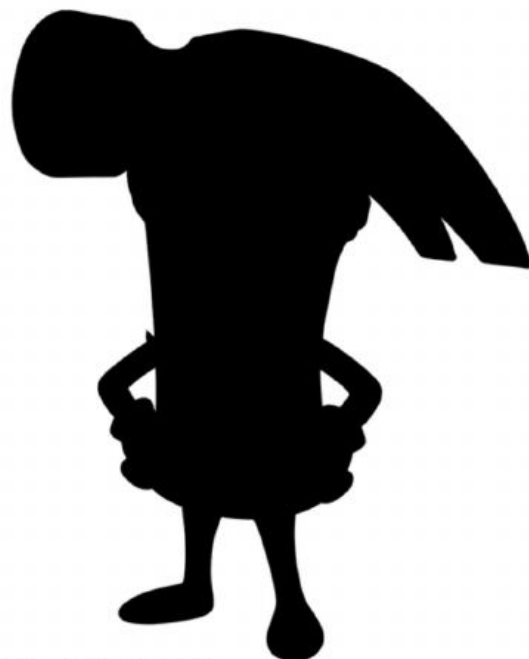

**Fun fact:** Harold eats more hay than any other animal on the farm. It's no wonder he's so big and strong!
